

DEVSARO PACK

The Complete
Printing and Packaging Unit

(An ISO 9001:2015 Certified Company)

ABOUT US

An ISO 9001:2015 certified company **Devsaro Pack** is a renowned manufacturing unit, situated on main Delhi-Mathura Road, Faridabad, Haryana, India.

We provide multifaceted solutions for **Paperboard Packaging and Printing**. Our specialization is largely in printed Duplex boxes, Monocartons, 3 ply printed cartons and corrugated boxes.

All our products are tailored with specific designing and printing. Customized sizes are printed on Offset Printing Machines which are constantly completed with UV, gloss or matt lamination, further occupied by complete fabrication process.

To make the effective flow of communication, our team of experienced, multi-skilled, solution-oriented employees are ideally trained to be client focused and follow up with customers from start to finish.

Mr. Ratan Kumar Jain, being in **Printing and Packaging Industry** for past **20 years** takes a shot at the guideline of "**Lean Manufacturing**" giving **Quality Assurance, Excellent Customer service and Lead Times on Deliveries**.

We at DSP set aside the opportunity to comprehend the customer's exact needs and manufacture customized packaging boxes to help their business stand out from the crowd and be a win.
